

# KEYPAD - MINI 2D

PTZ700

**A Great Mini Keypad for controlling up to 32 Domes & Space Saving Too!**

## Features

- ✓ 2 Dimensional
- ✓ Mini Design
- ✓ Protocols Pelco P & D
- ✓ 12V DC Operation
- ✓ Desk Top Unit
- ✓ Controls up to 32 Domes

## Description

This mini 2 dimensional keyboard can control up to 32 domes using PELCO P or D protocols. Its small unobtrusive design means it's suitable for small confined spaces such as shop counters. This keyboard is a low cost method of controlling any of our excelPTZ range of PT and PTZ cameras.

Two dimensional (2D) means that the joystick lever can Pan & Tilt the camera while the operator uses button controls to zoom in and out.

The unit is 12V operation and requires a suitable PSU such as our code POW800.
